Dear Terry,

On behalf of City Council and the City of Richmond, it gives me pleasure to congratulate you on winning a 2 anchor eco-rating for your commitment to Marina Environmental Best Practices.

Clean Marine BC recognizes marinas, boatyards, and other boating facilities that voluntarily take steps to reduce environmental impacts. As a recent award recipient, Shelter Island can proudly fly the Clean Marine BC flag, marking the marina's commitment to both boaters and the public, of sound environmental practices. I am certain that this award is a direct result of all marina staff's dedication to maintaining clean and healthy local waters. It is sure to inspire others to strive for similar achievements.

Once again, congratulations on your exemplary achievement!

Yours truly,

Malcolm D. Brodie
